PART A. - TERMS AND CONDITIONS

The Conditions applicable to the Notes are set out below.

§ 1 CURRENCY, DENOMINATION, FORM, CERTAIN DEFINITIONS

(1) *Currency, Denomination.* This tranche (the "**Tranche**") of Subordinated notes (the "**Notes**") is being issued by Erste Group Bank AG (the "**Issuer**") in Czech Koruna (CZK) (the "**Specified Currency**") in the aggregate principal amount of up to CZK 10,000,000,000 (in words: ten billion) in the denomination of CZK 10,000 (the "**Specified Denomination**").

(2) *Form.* The Notes are being issued in bearer form.

(3) *Permanent Global Note.* The Notes are represented by a permanent global note (the "**Permanent Global Note**" or the "**Global Note**") without coupons; the claim for interest payments under the Notes is represented by the Permanent Global Note. The Permanent Global Note shall be signed by authorised representatives of the Issuer. The Permanent Global Note shall be issued in classical global note format. Definitive Notes and coupons will not be issued.

(4) *Clearing System.* The Global Note(s) will be kept in custody by or on behalf of a Clearing System until all obligations of the Issuer under the Notes have been satisfied. "**Clearing System**" means Oesterreichische Kontrollbank Aktiengesellschaft, Am Hof 4, 1010 Vienna, Austria ("**OeKB**") and any successor in such capacity.

(5) *Holder of Notes.* "**Holder**" means any holder of a proportionate co-ownership or other comparable right in the Global Note which may be transferred to a new Holder in accordance with the provisions of the Clearing System.

(6) *Business Day.* "**Business Day**" means a calendar day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in Prague and the Trans-European Automated Real-time Gross Settlement Express Transfer System 2 or its successor ("**TARGET**") is open.

§ 2 STATUS

The Notes constitute direct, unsecured and subordinated obligations of the Issuer and rank *pari passu* among themselves and at least *pari passu* with all other subordinated obligations of the Issuer other than subordinated obligations which are expressed by their terms to rank junior to the Notes.

The Notes constitute Tier 2 instruments pursuant to Article 63 of the Regulation (EU) No 575/2013 of the European Parliament and of the Council of 26 June 2013 on prudential requirements for credit institutions and investment firms and amending Regulation (EU) No 648/2012 as amended from time to time (*Capital Requirements Regulation* – "**CRR**") and have a minimum maturity of five years.

In the event of the liquidation or insolvency of the Issuer, the payment obligations of the Issuer under the Notes will rank in right of payment after unsubordinated creditors of the Issuer but at least *pari passu* with all other subordinated obligations of the Issuer which are not expressed by their terms to rank junior to the Notes and in priority to the claims of shareholders, holders of (other) Common Equity Tier 1 instruments pursuant to Article 28 of the CRR as well as holders of Additional Tier 1 instruments pursuant to Article 52 of the CRR of the Issuer and all other subordinated obligations of the Issuer which are expressed by their terms to rank junior to the Notes.

Claims of the Issuer are not permitted to be offset against repayment obligations of the Issuer under these Notes and no contractual collateral may be provided by the Issuer or a third person for the liabilities constituted by the Notes. No subsequent agreement may limit the subordination pursuant to this § 2 or amend the maturity of the Notes.

§ 3 INTEREST

(1) *Rate of Interest and Interest Payment Dates.* The Notes shall bear interest on their outstanding

aggregate principal amount at the rate of 2.90 per cent. *per annum* from, and including, 14.01.2016 (the "**Interest Commencement Date**") to, but excluding, the Maturity Date (as defined in § 5 (1)).

Interest shall be payable annually in arrear on 14.01. in each year (each such date, an "**Interest Payment Date**"), commencing on 14.01.2017 and ending on 14.01.2025. Interest Payment Dates are subject to adjustment in accordance with the provisions set out in § 4 (3).

(2) *Default Interest.* The Notes shall cease to bear interest from the expiry of the calendar day preceding the due date for redemption. If the Issuer fails to redeem the Notes when due, interest shall continue to accrue on the outstanding aggregate principal amount of the Notes from, and including, the due date for redemption to, but excluding, the date of actual redemption of the Notes at the respective rate of interest specified. This does not affect any additional rights that might be available to the Holders.

(3) *Calculation of Amount of Interest.* If the amount of interest payable under the Notes is required to be calculated for any period of time of less or more than a full year such amount of interest shall be calculated by applying the rate of interest to the Specified Denomination, multiplying such sum by the applicable Day Count Fraction (as defined below), and rounding the resultant figure to the nearest sub-unit of the Specified Currency, half of such sub-unit being rounded upwards or otherwise in accordance with the applicable market convention.

(4) *Day Count Fraction.* "**Day Count Fraction**" means, in respect of the calculation of an amount of interest on any Note for any period of time (the "**Calculation Period**"):

the number of calendar days in the Calculation Period divided by 360, the number of calendar days to be calculated on the basis of a year of 360 calendar days with twelve 30-calendar day months (unless (1) the last calendar day of the Calculation Period is the 31st calendar day of a month but the first calendar day of the Calculation Period is a calendar day other than the 30th or 31st calendar day of a month, in which case the month that includes that last calendar day shall not be considered to be shortened to a 30-calendar day month, or (2) the last calendar day of the Calculation Period is the last calendar day of the month of February in which case the month of February shall not be considered to be lengthened to a 30-calendar day month).

§ 4 PAYMENTS

(1) (a) *Payment of Principal.* Payment of principal on the Notes shall be made, subject to paragraph (2) below, to the Clearing System or to its order for credit to the accounts of the relevant accountholders of the Clearing System.

(b) *Payment of Interest.* Payment of interest on the Notes shall be made, subject to paragraph (2) below, to the Clearing System or to its order for credit to the accounts of the relevant accountholders of the Clearing System.

(2) *Manner of Payment.* Subject to applicable fiscal and other laws and regulations, payments of amounts due in respect of the Notes shall be made in the Specified Currency.

If the Issuer determines that it is impossible to make payments of amounts due on the Notes in freely negotiable and convertible funds on the relevant due date for reasons beyond its control or that the Specified Currency or any successor currency provided for by law (the "**Successor Currency**") is no longer used for the settlement of international financial transactions, the Issuer may fulfil its payment obligations by making such payments in Euro on the relevant due date on the basis of the Applicable Exchange Rate. Holders shall not be entitled to further interest or any additional amounts as a result of such payment. The "**Applicable Exchange Rate**" shall be (i) (if such exchange rate is available) the exchange rate of Euro against the Specified Currency or the Successor Currency (if applicable) determined and published by the European Central Bank for the most recent calendar day falling within a reasonable period of time prior to the relevant due date, or (ii) (if such exchange rate is not available) the exchange rate of Euro against the Specified Currency or the Successor Currency (if applicable) which the Fiscal Agent has calculated as the arithmetic mean of offered rates concerning the Specified Currency or the Successor Currency (if applicable) quoted to the Fiscal Agent by four leading banks operating in the international foreign exchange market for the most recent calendar day falling within a reasonable (as determined by the Fiscal Agent in its reasonable discretion) period of time prior to the relevant due date, or (iii) (if such exchange rate is not available) the exchange rate of Euro against the Specified Currency or the Successor Currency (if applicable) as determined by the Fiscal Agent in its reasonable discretion.

(3) *Payment Business Day.* If the due date for any payment in respect of the Notes would otherwise fall on a calendar day which is not a Payment Business Day (as defined below), the due date for such payment shall

be postponed to the next calendar day which is a Payment Business Day.

"Payment Business Day" means a calendar day (other than a Saturday or a Sunday) (i) on which the Clearing System is open, and (ii) which is a Business Day (as defined in § 1 (6)).

If the due date for a payment of interest is postponed (as described above), the amount of interest shall not be adjusted accordingly.

If the due date for the redemption of the principal amount of the Notes is adjusted the Holder shall not be entitled to payments in respect of such adjustment.

(4) *References to Principal and Interest.* References in these Terms and Conditions to "principal" in respect of the Notes shall be deemed to include, as applicable: the Final Redemption Amount of the Notes (as specified in § 5 (1)); the Early Redemption Amount of the Notes (as specified in § 5); and any premium and any other amounts (other than interest) which may be payable under or in respect of the Notes. References in these Terms and Conditions to "interest" in respect of the Notes shall be deemed to include, as applicable, any Additional Amounts (as defined in § 7 (1)) which may be payable under § 7 (1).

§ 5 REDEMPTION

(1) *Redemption at Maturity.* Unless previously redeemed in whole or in part or purchased and cancelled, and subject to adjustment in accordance with the provisions set out in § 4 (3), the Notes shall be redeemed at their Final Redemption Amount on 14.01.2025 (the **"Maturity Date"**). The **"Final Redemption Amount"** in respect of each Note shall be the product of the Redemption Price and the Specified Denomination. The **"Redemption Price"** is 100.00 per cent.

(2) *No Early Redemption at the Option of the Issuer.* The Notes may not be redeemed at the option of the Issuer prior to their Maturity Date other than in case of an early redemption pursuant to § 5 (3) or § 5 (4).

(3) *Early Redemption for Reasons of Taxation.* The Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time on giving not less than 30 nor more than 90 Business Days' prior notice of redemption to the Fiscal Agent and, in accordance with § 11, to the Holders (which notice shall be irrevocable), if there is a change in the applicable tax treatment of the Notes which is material and was not reasonably foreseeable at the time of their issuance, and where the conditions for an early redemption laid down in § 5 (5) are met.

(4) *Early Redemption for Regulatory Reasons.* The Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time prior to their Maturity Date on giving not less than 30 nor more than 90 Business Days' prior notice of redemption to the Fiscal Agent and, in accordance with § 11, to the Holders (which notice shall be irrevocable), if there is a change in the regulatory classification of the Notes that would be likely to result in their exclusion in full from own funds or reclassification as a lower quality form of own funds, and provided that the following conditions are met: (i) the Competent Authority (as defined below) considers such a change to be sufficiently certain; (ii) the Issuer demonstrates to the satisfaction of the Competent Authority that the regulatory reclassification of the Notes was not reasonably foreseeable at the time of their issuance; and (iii) the conditions for early redemption laid down in § 5 (5) are met.

(5) *Conditions for Early Redemption.* Any early redemption pursuant to this § 5 requires that the Competent Authority has granted the Issuer the prior permission for the redemption, whereas such permission may, *inter alia*, require that:

(i) earlier than or at the same time as the redemption, the Issuer replaces the Notes with own funds instruments of equal or higher quality at terms that are sustainable for the income capacity of the Issuer; or

(ii) the Issuer has demonstrated to the satisfaction of the Competent Authority that the own funds of the Issuer would, following the redemption, exceed the requirements laid down in Article 92(1) of the CRR and the combined buffer requirement as defined in point (6) of Article 128 of the CRD IV by a margin that the Competent Authority may consider necessary on the basis of Article 104(3) of the CRD IV.

Whereas:

"Competent Authority" means the competent authority pursuant to Article 4(1)(40) of the CRR which is responsible to supervise the Issuer and/or the Erste Group.

"CRD IV" means the Directive 2013/36/EU of the European Parliament and of the Council of 26 June 2013 on access to the activity of credit institutions and the prudential supervision of credit institutions and investment firms (Capital Requirements Directive IV), as implemented in Austria and as amended from time to time.

(6) *No Early Redemption at the Option of a Holder.* The Holders do not have a right to demand the early

redemption of the Notes.

(7) *Early Redemption Amount.* In case of an early redemption pursuant to § 5 (3) or § 5 (4), the Notes will be redeemed at their Early Redemption Amount (as defined below) together with interest, if any, accrued to, but excluding, the date of redemption. For purposes of this § 5, the "**Early Redemption Amount**" of a Note shall be its Final Redemption Amount.

§ 6 FISCAL AGENT AND PAYING AGENT

(1) *Appointment; Specified Offices.* The initial Fiscal Agent and the initial Principal Paying Agent and their respective initial specified offices are:

Fiscal Agent and Principal Paying Agent:

Erste Group Bank AG
Graben 21
1010 Vienna
Austria

Where these Terms and Conditions refer to the term "Paying Agent(s)", such term shall include the Principal Paying Agent.

The Fiscal Agent and the Paying Agent(s) reserve the right at any time to change their respective specified office to some other specified office in the same city.

(2) *Variation or Termination of Appointment.* The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent or any Paying Agent and to appoint another Fiscal Agent or additional or other Paying Agents. The Issuer shall at all times maintain (i) a Fiscal Agent and (ii) so long as the Notes are listed on a stock exchange, a Paying Agent (which may be the Fiscal Agent) with a specified office in such place as may be required by the rules of such stock exchange or its supervisory authority. The Issuer will give notice to the Holders of any variation, termination, appointment or any other change as soon as possible upon the effectiveness of such change.

The Issuer undertakes, to the extent this is possible, to maintain a Paying Agent in a member state of the European Union in which it shall not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive.

(3) *Agents of the Issuer.* The Fiscal Agent and the Paying Agents act solely as agents of the Issuer and do not have any obligations towards or relationship of agency or trust to any Holder.

(4) *Determinations Binding.* All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of these Terms and Conditions by the Fiscal Agent shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Paying Agents and the Holders and, in the absence of the aforesaid, no liability to the Issuer, the Paying Agents or the Holders shall attach to the Fiscal Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

§ 7 TAXATION

(1) *General Taxation.* All payments of principal and interest by or on behalf of the Issuer in respect of the Notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within the Republic of Austria or by any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

In that event, the Issuer shall pay such additional amounts (the "**Additional Amounts**") to the Holder as shall result in receipt by that Holder of such amounts as would have been received by it had no such withholding or deduction been required, except that no such Additional Amounts shall be payable with respect to any Note:

- (a) to, or to a third party on behalf of, a Holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note by reason of its having some connection with the Republic of Austria other than the mere holding of the Note; or

- (b) presented for payment more than 30 calendar days after the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven calendar days after that on which notice is duly given to the Holders in accordance with § 11 that, upon further presentation of the Notes being made, such payment will be made, provided that payment is in fact made upon such presentation, except to the extent that the Holder would have been entitled to such Additional Amounts on presenting the Note for payment on the thirtieth such calendar day; or
- (c) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (d) presented for payment by or on behalf of a Holder who would have been able to avoid such withholding or deduction by presenting the relevant Note to another Paying Agent in a Member State of the European Union.

(2) *U.S. Foreign Account Tax Compliance Act (FATCA)*. The Issuer is authorised to withhold or deduct from amounts payable under the Notes to a Holder or beneficial owner of Notes sufficient funds for the payment of any tax that it is required by law to withhold or deduct pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 (the "**Code**"), any regulations or agreements thereunder, any official interpretations thereof, or any law implementing an intergovernmental agreement thereto ("**FATCA**") (including under a voluntary agreement entered into with a taxing authority as described in Section 1471(b) of the Code (the "**FATCA Agreement**"). The Issuer will not be required to make any payment of additional amounts for or on account of any withholding tax deducted by the Issuer or an intermediary in compliance with FATCA. For the avoidance of doubt, the withholding or deduction of any amounts which are withheld or deducted pursuant to a FATCA Agreement shall be treated as being required by law.

§ 8

PRESCRIPTION

Claims against the Issuer for payment in respect of the Notes shall be prescribed and become void unless made within thirty years (in the case of principal) and three years (in the case of interest) upon the relevant due date.

§ 9

NON-PAYMENT AND INSOLVENCY

(1) *Non-payment and Insolvency*. Each Holder shall be entitled in any event contemplated in subparagraphs (a) and (b) (other than in case of insolvency (bankruptcy) proceedings are commenced against assets of the Issuer), upon sending a written notice to the Issuer, to inform the Austrian Financial Market Authority (or any other authority competent for such matters in the future) of the occurrence of such event and propose that the Austrian Financial Market Authority (or any other authority competent for such matters in the future) applies to the competent court in Vienna for the commencement of bankruptcy proceedings against the assets of the Issuer:

- (a) default is made on the payment of interest or principal in respect of the Notes for a period of 15 calendar days (in the case of interest) or seven calendar days (in the case of principal) from (and including) the relevant Interest Payment Date or Maturity Date; or
- (b) special receivership proceedings (*Geschäftsaufsichtsverfahren*) pursuant to the Austrian Banking Act (or any other regulation applicable in the future) are commenced against the Issuer, or the Austrian Financial Markets Authority (or any other authority competent for such matters in the future) institutes regulatory measures (*aufsichtsbehördliche Maßnahmen*) with the effect of a temporary moratorium or the Issuer shall be wound up or dissolved, otherwise than for the purposes of reconstruction, merger or amalgamation in which the successor entity assumes all the obligations of the Issuer with respect to the Notes.

(2) Each Holder shall be entitled, if insolvency proceedings are commenced against assets of the Issuer, to file an application in such court demanding payment of all principal amounts due under the Notes together with accrued interest and any Additional Amount.

§ 10

FURTHER ISSUES OF NOTES,

PURCHASES AND CANCELLATION

(1) *Further Issues of Notes.* The Issuer may from time to time, without the consent of the Holders, issue further Notes having the same terms as the Notes in all respects (except for the issue date, issue price, Interest Commencement Date and/or first Interest Payment Date) so as to form a single series with the Notes.

(2) *Purchases.* The Issuer and any of its Subsidiaries may at any time purchase Notes in the open market or otherwise at any price. Notes purchased by the Issuer or the Subsidiary may, at the option of the Issuer or such Subsidiary, be held, resold or surrendered to the Fiscal Agent for cancellation. No such purchase shall be possible unless all applicable regulatory and other statutory restrictions are observed and provided that the conditions for early redemption laid down in § 5 (5) are met.

"**Subsidiary**" means either:

(i) any company which is then, directly or indirectly, controlled, or at least 50 *per cent.* of whose issued equity share capital (or equivalent) is then beneficially owned, by the Issuer and/or one or more of its Subsidiaries. For a company to be controlled by another means that the other (whether directly or indirectly and whether by the ownership of share capital, the possession of voting power, contract or otherwise) has the power to appoint and/or remove all or the majority of the members of the management board or other governing body of that company or otherwise controls or has the power to control the affairs and policies of that company; or

(ii) any company regarded as a subsidiary of the Issuer in accordance with International Financial Reporting Standards.

(3) *Cancellation.* All Notes redeemed in full shall be cancelled forthwith and may not be reissued or resold.

§ 11 NOTICES

(1) *Publication.* All notices of facts concerning the Notes shall be published on the website of the Issuer (www.erstegroup.com). Any notice so given will be deemed to have been validly given on the fifth calendar day following the date of such publication (or, if published more than once, on the fifth calendar day following the date of the first such publication). This does not affect any applicable stock exchange law publication requirements. Legally material notices shall be given to the Holders via the respective institutions which maintain the Holders' security accounts. Alternatively, the Issuer shall be entitled to send at any time notices directly to Holders known to the Issuer.

(2) *Notification to Clearing System.* If the publication of notices pursuant to paragraph (1) is no longer required by law, the Issuer may, in lieu of publication in the media set forth in paragraph (1), deliver the relevant notices to the Clearing System, for communication by the Clearing System to the Holders. Any such notice shall be deemed to have been given to the Holders on the seventh calendar day after the calendar day on which said notice was given to the Clearing System.

(3) *Form of Notice to Be Given by any Holder.* Notices regarding the Notes which are to be given by any Holder to the Issuer shall be validly given if delivered in writing in the German or English language to the Issuer or the Fiscal Agent (for onward delivery to the Issuer) and by hand or mail. The Holder shall provide evidence satisfactory to the Issuer of its holding of the Notes. Such evidence may be (i) in the form of a certification from the Clearing System or the Custodian with which the Holder maintains a securities account in respect of the Notes that such Holder is, at the time such notice is given, the Holder of the relevant Notes, or (ii) in any other appropriate manner. "**Custodian**" means any bank or other financial institution of recognised standing authorised to engage in securities custody business with which the Holder maintains a securities account in respect of the Notes and includes the Clearing System.

§ 12 MEETING OF HOLDERS, MODIFICATIONS AND WAIVER

(1) *Amendment of the Terms and Conditions.* In accordance with subsequent provisions the Holders may agree with the Issuer on amendments of these Terms and Conditions with regard to certain matters by resolution with the majority specified below. Majority resolutions of the Holders shall be binding on all Holders alike. A majority resolution of the Holders which does not provide for identical conditions for all Holders is void, unless Holders who are disadvantaged have expressly consented to their being treated disadvantageously.

- (2) The Holders may consent, by majority resolution, to the following measures, among others:
- (a) changes in the due date or reduction or exclusion of interest payments;
 - (b) changes in the due date of the principal amount;
 - (c) reduction of the principal amount;
 - (d) subordination of the claims under the Notes during insolvency proceedings of the Issuer;
 - (e) conversion or exchange of the Notes into shares, other securities or other promises of performance;
 - (f) changes in the currency of the Notes;
 - (g) waiver or limitation of the Holders' right of termination;
 - (h) substitution of the Issuer; and
 - (i) amendments to or cancellation of ancillary conditions of the Notes.

(3) *Convening a Meeting of Holders.* The Holders' meeting shall be convened by the Issuer or by the Joint Representative of the Holders. It shall be convened if Holders who together hold 5 *per cent.* of the outstanding Notes request such convocation in writing for the purpose of appointing or removing a Joint Representative, passing a resolution in order to render a termination invalid or for any other particular interest in such convocation.

(4) *Contents of the Convening Notice, Publication.* The convening notice shall state the name and the registered office of the Issuer and the time of the Holders' meeting, the agenda and the conditions on which attendance at the Holders' meeting and the exercise of voting rights shall depend. The convening notice shall be published pursuant to § 11.

(5) *Convening Period, Evidence.* The Holders' meeting shall be called at least 14 calendar days before the date of the meeting. As evidence for the entitlement to participate in the Holders' meeting a special confirmation issued by the Clearing System or the Custodian in text form shall be presented.

(6) *Agenda.* The convening party shall include in the agenda a proposed resolution for each subject on which the Holders' meeting is to pass a resolution. The agenda of the Holders' meeting shall be published together with the convening notice. No resolutions may be passed on agenda items that have not been published in the required manner. Holders who together hold 5 *per cent.* of the outstanding Notes may request that new items be published for resolution. Such new items must be published no later than the third calendar day preceding the Holders' meeting. Without undue delay and until the date of the Holders' meeting, the Issuer shall make available to the Holders on its website (www.erstegroup.com), any counter-motions announced by a Holder before the meeting.

(7) *Quorum.* The Chairperson shall prepare a register of Holders participating in the vote. Such register shall include the Holders' names, their registered offices or places of residence and the number of voting rights represented by each Holder. Such register shall be signed by the Chairperson of the meeting and be made available without undue delay to all Holders. The Holders' meeting shall have a quorum if the persons present represent at least fifty per cent of the outstanding Notes by value. If the Holders' meeting does not have a quorum, the Chairperson may convene a second meeting for the purposes of passing the resolution (s) anew. Such second meeting requires no quorum. For resolutions which require a qualified majority the persons present must represent at least 25 *per cent.* of the outstanding Notes. Notes for which voting rights have been suspended shall not be included in the outstanding Notes.

(8) *Majority Requirements.* Resolutions relating to material amendments of these Terms and Conditions, in particular consents to the measures set out in § 12 (2) lit (a) to (i) above shall be passed by a majority of not less than 75 per cent. (Qualified Majority) of the votes cast. Resolutions relating to amendments of these Terms and Conditions which are not material require a simple majority of the votes cast.

(9) *Vote without a Meeting.* All votes will be taken exclusively by vote taken without a meeting. The vote shall be conducted by the scrutineer. The scrutineer shall be a notary appointed by the Issuer, or the Joint Representative of the Holders if it has requested such vote. The request for voting shall set out the period within which votes may be cast. Such period shall be at least 72 hours. During the voting period, the Holders may cast their votes to the scrutineer in text form. The request shall set out in detail the conditions to be met in order for the votes to be valid. The scrutineer shall ascertain the entitlement to cast a vote by means of the evidence provided and shall prepare a list of Holders entitled to vote. If it is ascertained that no quorum exists, the scrutineer may convene a Holders' meeting, which shall be deemed to be a second Holders' meeting within the meaning of §12 (7). Any resolution passed by the vote shall be recorded in the minutes by a notary. Each Holder participating in the vote may request within one year of the end of the voting period a copy of the minutes and its annexes from the Issuer. Each Holder participating in the vote may object to the result in writing within two weeks of publication of the resolutions. The scrutineer shall decide on any

such objection. If it takes remedial action as a result of the objection, it shall publish the result without undue delay. § 12 (13) shall apply *mutatis mutandis*. If the scrutineer does not take remedial action as a result of the objection, it shall notify the objecting Holder without undue delay in writing.

(10) *Voting Right*. Each Holder shall participate in votes in accordance with the principal amount of the outstanding Notes held by such Holder. Voting rights are suspended with respect to the shares attributable to the Issuer or any of its Subsidiaries or held for the account of the Issuer or any of its Subsidiaries. The Issuer may not make available Notes for which the voting rights have been suspended to any third party for the purposes of exercising the voting rights in lieu of the Issuer. This shall also apply to any Subsidiaries of the Issuer. Exercise of voting rights for the purposes specified above is prohibited. It is prohibited to offer, promise or grant any advantage as consideration to any person entitled to vote not to vote, or to vote in a particular way, in a Holders' meeting or a vote. No person entitled to vote may require, accept any promise of or accept any advantage or consideration for not voting, or voting in a particular way, in a Holders' meeting or a vote.

(11) *Chair of the Vote*. The vote will be chaired by a notary appointed by the Issuer or, if the Joint Representative has convened the vote, by the Joint Representative (the "**Chairperson**").

(12) *Voting, Minutes*. The provisions of the Austrian Stock Corporation Act (*Aktiengesetz*) regarding the voting of shareholders in the general meeting shall apply *mutatis mutandis* to the casting and counting of votes. In order to be valid, any resolution passed by the Holders' meeting shall be recorded in minutes of the meeting. The minutes shall be recorded by a notary.

(13) *Publication of Resolutions*. The Issuer shall publish the resolutions passed by the Holders in appropriate form and at its own expense. The resolutions shall be published without undue delay pursuant § 11. In addition, for a period of at least one month commencing on the calendar day following the Holders' meeting, the Issuer shall make available to the public on its website (www.erstegroup.com) the resolutions passed by the Holders and, if these Terms and Conditions are amended by a Holders' resolution, the wording of the original Terms and Conditions.

(14) *Implementation of Resolutions*. Resolutions passed by the Holders' meeting which amend or supplement the contents of these Terms and Conditions shall be implemented in such a way that the relevant Global Note is supplemented or amended. D. RISKS

D.2 Key information on the key risks that are specific to the Issuer:

Risks related to the business of Erste Group

- Difficult macroeconomic and financial market conditions may have a material adverse effect on Erste Group's business, financial condition, results of operations and prospects.
- Erste Group has been and may continue to be affected by the European sovereign debt crisis, and it may be required to take impairments on its exposures to the sovereign debt of certain countries.
- Erste Group has experienced and may in the future continue to experience a deterioration in credit quality, particularly as a result of financial crises or

economic downturns.

- Erste Group is subject to significant counterparty risk, and defaults by counterparties may lead to losses that exceed Erste Group's provisions.
- Erste Group's hedging strategies may prove to be ineffective.
- Erste Group is exposed to declining values of the collateral supporting commercial and residential real estate loans.
- Market fluctuations and volatility may adversely affect the value of Erste Group's assets, reduce profitability and make it more difficult to assess the fair value of certain of its assets.
- Erste Group is subject to the risk that liquidity may not be readily available.
- Rating agencies may suspend, downgrade or withdraw a rating of Erste Group Bank and/or a local entity that is part of Erste Group or a country where Erste Group is active, and such action might negatively affect the refinancing conditions for Erste Group Bank, in particular its access to debt capital markets.
- New governmental or regulatory requirements and changes in perceived levels of adequate capitalisation and leverage could subject Erste Group to increased capital requirements or standards and require it to obtain additional capital or liquidity in the future.
- Risk of changes in the tax framework, in particular regarding bank tax and the introduction of a financial transaction tax.
- The Issuer may not be able to meet the minimum requirement for own funds and eligible liabilities.
- The Issuer is obliged to contribute amounts to the Single Resolution Fund and to the ex ante financed deposit guarantee fund.
- In future, the Issuer may be obliged to stop proprietary trading and/or separate certain trading activities from its core banking business.
- Erste Group's risk management strategies, techniques and internal control procedures may leave it exposed to unidentified or unanticipated risks.
- Erste Group's business entails operational risks.
- Any failure or interruption in or breach in security of Erste Group's information systems, and any failure to update such systems, may result in lost business and other losses.
- Erste Group may have difficulty recruiting or retaining qualified employees.
- Erste Group Bank may be required to provide financial support to troubled banks in the Haftungsverbund, which could result in significant costs and a diversion of resources from other activities.
- Changes in interest rates are caused by many factors beyond Erste Group's control, and such changes can have significant adverse effects on its financial results, including net interest income.
- Since a large part of Erste Group's operations, assets and customers are located in CEE countries that are not part of the Eurozone, Erste Group is exposed to currency risks.
- Erste Group may be unable to achieve the return to profitability of Erste Group Bank.
- A change of the ECB's collateral standards could have an adverse effect on the funding of Erste Group and access to liquidity.
- Erste Group operates in highly competitive markets and competes against large international financial institutions as well as established local

competitors.

- Erste Group Bank's major shareholder may be able to control shareholder actions.
- Compliance with anti-money laundering, anti-corruption and anti-terrorism financing rules involves significant costs and efforts and non-compliance may have severe legal and reputational consequences.
- Changes in consumer protection laws as well as the application or interpretation of such laws might limit the fees and other pricing terms that Erste Group may charge for certain banking transactions and might allow consumers to claim back certain of those fees already paid in the past.
- The integration of potential future acquisitions may create additional challenges.

Risks related to the markets in which Erste Group operates

- The departure of any one or more countries from the Eurozone could have unpredictable consequences for the financial system and the greater economy, potentially leading to declines in business levels, write-downs of assets and losses across Erste Group's business.
- Erste Group operates in emerging markets that may experience rapid economic or political changes, either of which may adversely impact its financial performance and results of operations.
- Committed EU funds may not be released or further aid programmes may not be adopted by the EU and/or international credit institutions.

- Liquidity problems experienced by certain CEE countries may adversely affect the broader CEE region and could negatively impact Erste Group's business results and financial condition.
- Governments in countries in which Erste Group operates may react to financial and economic crises with increased protectionism, nationalisations or similar measures.
- Erste Group may be adversely affected by slower growth or recession in the banking sector in which it operates as well as slower expansion of the Eurozone and the EU.

D.3 Key information on the key risks that are specific to the securities:

Factors which are material for the purpose of assessing the market risks associated with the Notes:

- The Notes may not be a suitable investment for investors if they do not have sufficient knowledge and/or experience in the financial markets and/or access to information and/or financial resources and liquidity to bear all the risks of an investment and/or a thorough understanding of the terms of the Notes and/or the ability to evaluate possible scenarios for economic, interest rate and other factors that may affect its investment

Risks related to the structure of particular Notes

- Holders of Fixed Rate Notes are exposed to the risk that the price of such Notes falls as a result of changes in the market interest rate.
- In the event that any Notes are redeemed prior to their maturity, a Holder of such Notes may be exposed to risks, including the risk that his investment will have a lower than expected yield (Risk of Early Redemption).
- If the relevant Terms and Conditions of the Notes provide for resolutions of Holders, certain rights of a Holder may be amended or reduced or even cancelled by way of resolutions, which could affect the Holder negatively.
- If the relevant Terms and Conditions of the Notes provide for the appointment of a Joint Representative, a Holder may be deprived of its individual right to pursue and enforce its rights under the relevant Terms and Conditions of the Notes against the Issuer.
- An Austrian court can appoint a trustee (*Kurator*) for the Notes to exercise the rights and represent the interests of Holders on their behalf in which case the ability of Holders to pursue their rights under the Notes individually may be limited.
- The Notes may be subject to write down or conversion to equity upon the occurrence of a certain trigger event, which may result in Holders losing some or all of their investment in the Notes (statutory loss absorption).
- The Notes may be subject to other resolution powers which may result in the non-payment of interest and/or non-repayment.
- The obligations of the Issuer under Subordinated Notes constitute unsecured and subordinated obligations which are subordinated to the claims of all unsubordinated creditors of the Issuer.
- Subordinated Notes may not be early redeemed at the option of the Holders, and any rights of the Issuer to early redeem or repurchase Subordinated Notes are subject to the prior permission of the competent authority.

Risks related to Notes generally

- Under the EU Savings Directive, if a payment were to be made or collected through a paying agent in a state which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any paying agent nor any other person would be obliged to pay additional amounts with respect to any Notes as a result of the imposition of such withholding tax (no gross-up).
- Credit ratings of Notes may not adequately reflect all risks of the investment in such Notes and may be suspended, downgraded or withdrawn which could have an adverse effect on the market value and trading price of the Notes.
- The Notes are governed by German or Austrian law, and changes in applicable laws, regulations or regulatory policies may have an adverse effect on the Issuer, the Notes and the Holders.
- The statutory presentation period provided under German law will be reduced under the Terms and Conditions applicable to the Notes in which case Holders may have less time to assert claims under the Notes.

Risks related to the market generally

- Holders are exposed to the risk of partial or total failure of the Issuer to make interest and/or redemption payments under the Notes.
- Holders assume the risk that the credit spread of the Issuer widens resulting in a decrease in the price of the Notes.
- The Holder may be exposed to the risk that due to future money depreciation (inflation), the real yield of an investment may be reduced.
- There can be no assurance that a liquid secondary market for the Notes will develop or, if it does develop, that it will continue. In an illiquid market, a Holder may not be able to sell his Notes at fair market prices.
- No conclusion may be drawn from the indicated Aggregate Principal Amount in case of "up to" Notes.
- There is a risk that trading in the Notes or underlyings will be suspended, interrupted or terminated, which may have an adverse effect on the price of such Notes.
- Holders are exposed to the risk of an unfavourable development of market prices of their Notes which materialises if the Holder sells the Notes prior to the final maturity of such Notes.
- In case of an early redemption of any Notes, there is a risk that Holders may not be able to reinvest proceeds from the Notes in such a way that they earn the same rate of return.
- Exchange rate risks occur, if a Holder's financial activities are denominated in a currency or currency unit other than the Specified Currency in which the Issuer will make principal and interest payments. Furthermore, government and monetary authorities may impose exchange controls that could adversely affect an applicable exchange rate.
- If a loan or credit is used to finance the acquisition of the Notes, the loan or credit may significantly increase the amount of a loss.
- Incidental costs related in particular to the purchase and sale of the Notes may have a significant impact on the profit potential of the Notes.
- Holders have to rely on the functionality of the relevant clearing system.
- Holders should note that the applicable tax regime may change to the disadvantage of the Holders and therefore, the tax impact of an investment in the Notes should be carefully considered.
- Legal investment considerations may restrict certain investments.
- The Issuer is exposed to conflicts of interest which might adversely affect the Holders.

Risks related to FATCA

- Payments, including principal, on the Notes to Holders and beneficial owners of interests in the Notes that (i) fail to comply with tax certification or identification requirements (including providing a waiver of any laws prohibiting the disclosure of such information to a taxing authority) or (ii) are financial institutions that fail to comply with certain provisions commonly referred to as the U.S. Foreign Account Tax Compliance Act or any analogous provisions of non-U.S. laws, including any voluntary agreements entered into with a taxing authority pursuant thereto, may be subject to a withholding tax of 30 per cent. The Issuer will not be obligated to make any additional payments in respect of any such amounts withheld by the Issuer or an intermediary paying agent.
